

# Beacy P&C newsletter

Coming together is a beginning, keeping together is progress, working together is success – Henry Ford

Welcome to the first P&C Newsletter of 2016. Since the last edition there has been a lot of hard work which has culminated in the exciting changes we are seeing around the school. The P&C has worked in collaboration with the school and our Principal, Vicki Jack, to ensure better play areas for our children! As a combined team we have seen the YR1/2 Nature play area complete, commencement of the Year 2/3 area which will see Teepees, a cubby, sandpits, a vertical water wall plus more completed during the Term 1 school holidays.

Term 2 will see the commencement of a 6m climbing frame on the Jenkin

street site next to the sea containers for the YR's 4/5/6.

A new soccer goal will also be ready for term 2 on the bottom oval.

Aside from all the play areas the new signage, another team effort, has received positive feedback and looks great!

I wish to thank all those who have supported me in this role over the past year. I won't be re-nominating so please come and support the AGM and consider taking on a role!

2016 will see new faces, new events plus more! Please continue to support the P&C as it strives to develop the sense of community within our school!

Jane Rodrigues - President

## Canteen News

Please support our canteen and remember orders to be placed online at [www.ouronlinecanteen.com.au](http://www.ouronlinecanteen.com.au). When online you will also be able to view the 2016 menu!

Operation of the canteen depends upon the availability of volunteers. The more volunteers we have the more homemade food we can produce and the more variety we can provide.

Volunteers are always needed and are welcome to drop in any time between 8:15am and 3:00pm Thursdays and Fridays to help.

Any queries please contact our Canteen Manager Julie Miller on 0431867633 or email [juliemiller@inet.net.au](mailto:juliemiller@inet.net.au).
