Dear Ms Jack

I would like to extend my sincere thanks to the school community for the warm welcome I received when I visited Beaconsfield Primary School.

I thoroughly enjoyed visiting the classrooms and seeing the enthusiasm of the students and staff. I was particularly impressed by the Year 6 students during their STEM lesson with Mr Brett Morellini. The demonstration of how the students utilise the "Sphero" robot for coding was very interesting.

The efforts of your school community in creating a vibrant atmosphere were evident when I toured the school. This was illustrated by the contribution the Parents and Citizens' Association and wider school community has made in relation to the artwork and sculptures featured throughout the school grounds.

Best wishes to you, your staff and all the students for the remainder of the 2016 school year.

Kind regards
